To the Governance Body of the Kapiti Coast District Council,

Thank you for your response and for instructing the staff to reply.

We did receive a response from Sean Mallon; unfortunately, it did not resolve the matter.

We reiterate our request to the governing body of our local authority, the Kapiti Coast District Council, that you instruct your employee to ensure the relevant staff provide technical feedback on the de Lange peer review.

Also, could you please confirm whether AWA has received a copy of the de Lange peer review?

Regards,

Salima Padamsey

Hi Janet,

I am following up on this set of emails regarding KCDC providing technical feedback on the de Lange peer review to CRU.

From what I can see this feedback has been promised by Sean but not provided.

Can you provide the timeline for this undertaking from Sean to be met please.

Kind regards

Jocelyn

FYI

See below the email i sent to Sean yesterday. Awaiting for response.

Hi Sean

I did not get the opportunity to ask a question as to the Dr De Lange review yesterday. It was mentioned but just a quick question. I just want to understand how this review will be used or is it not going to be used

Q. Is there going to be a technical review of the Dr De Lange peer review of the draft report or before the final report is landed.

Q. How is Dr Delange peer review being used in terms of informing this piece of work.

Q. Does the answer to these two questions impact on the report or recommendation's that's coming to council next Thursday.

Thanks
