Subject: thank you

Good Morning Janet,

First, my apologies in reaching out to you quite some time after the CRU AGM.

I wanted to personally thank you for attending our AGM. As you know, it is the first time that CRU has ever extended an invitation to the Mayor and elected members.

We were encouraged, in particular, by your attendance. It signalled the possibility of working together on the issue of coastal hazards and after 10 years finalising the issue in a co-operative and constructive manner.

Moreover, the CRU committee have been overwhelmed by comments from our members - also encouraged by your presence at the AGM.

Please let me know if you would like me to forward the minutes or any other documents that you might find relevant and helpful.

I look forward to our future partnership.

Many thanks,

Salima Padamsey
CRU- Chair
